

going curly

you will need:

- Blow dryer
- Clips for sectioning hair
- GJ Ocean Texture Spray
- GJ Medium Hold Hair Spray
- 1" curling iron

5 simple steps:

1. Spray GJ Ocean Texture Spray generously on hair until slightly damp.
2. Blow dry thoroughly until hair is dry.
3. Take 1" sections of hair and wrap around curling iron while holding vertically.
4. When hair is curled, flip your head upside down, run your fingers through your hair to break the curl apart.
5. Flip your head back and spray with GJ Medium Hold Hair Spray.
